

CEO Roundtable of Tanzania

Ethical Leadership for Growth and Prosperity

PRESS RELEASE

THE ROLE OF NATIONAL ECONOMIC EMPOWERMENT COUNCIL AND ALIGNMENT OF POLICIES FOR LOCAL CONTENT DEVELOPMENT:

Dar es Salaam 14th August 2018: The CEO Roundtable of Tanzania (CEOrt) will host a roundtable discussion at the Serena Hotel in Dar es Salaam this evening.

The CEO Roundtable is pleased to welcome the National Economic Empowerment Council (NEEC) during the CEOrt monthly meeting this month.

The National Economic Empowerment Council (NEEC) was established in 2005 and is responsible for supervising, monitoring and coordinating all economic empowerment activities.

NEEC aims at leading Tanzanians towards a nationally stable economy by creating a conducive business environment and giving Tanzanians the opportunity to participate in the country's social-economic activities whilst encouraging and investment and meaningful economic participation.

The CEOrt recognizes that the country's long-term economic stability is dependent on private sector participation within key areas such as human capacity building, skills development, technology transfer and meaningful job creation. Therefore, the roundtable discussion will focus on gaining a deeper understanding of local content regulation and their impact to business.

In line with the above, the CEO Roundtable congratulates the government of Tanzania for its efforts in creating an enabling environment in order to encourage greater participation of Tanzanians in the development of the economy.
