

CEO Roundtable of Tanzania

Ethical Leadership for Growth and Prosperity

PRESS RELEASE

Dar es Salaam 14th May 2019: The CEO Roundtable of Tanzania (CEOrt) will host an Iftar at Hyatt Regency Kilimanjaro Hotel in Dar es Salaam this evening.

In the spirit of Ramadan, the CEOrt is pleased to welcome members and invited guests from the diplomatic corps and development partners to the Iftar event. The CEOrt will use this opportunity to update members and invited guests regarding the upcoming launch of the CEO Apprenticeship Programme (CAP).

Recognising the critical leadership gap in the country, the CEO Apprenticeship Programme (CAP) is a programme designed to identify talented Tanzanians and through mentorship and coaching sessions, prepare them to become Tanzania's future leaders. It is envisioned that upon completion of the 12-month programme, participants would have acquired the right blend of skills thus enhancing their leadership capabilities including enhanced self-awareness, effective decision-making skills and developing new ways of approaching leadership challenges to become future CEOs.

In a recent interview, CEOrt founding member Ali Mufuruki said, "For many years, I have been asked what we are doing as CEOs to shape our next generation of leaders. Endorsed by the CEO Roundtable of Tanzania, CAP aims to identify CEOs in waiting and through capacity building and knowledge transfer, equip them with the necessary skills to lead. With their wealth of knowledge and expertise, I believe CEOs can make a significant impact towards developing the next generation of Tanzanian leaders".

The CEO Roundtable looks forward to launching this important nation-building initiative in July 2019.
