

CEO Roundtable of Tanzania

Ethical Leadership for Growth and Prosperity

PRESS RELEASE

Dar es Salaam 26th August 2019: The CEO Roundtable of Tanzania (CEOrt) in partnership with Strathmore University Business School (SBS) is unveiling the CEO Apprenticeship Programme (CAP) commencing with the first Knowledge Forum Session this morning.

Recognising the existing gap and the need for additional investment in Tanzania's human capital, members of the CEO Roundtable resolved to support a programme focused on the development of Tanzania's future leaders. The CEO Apprenticeship Programme (CAP) is an initiative designed to train talented Tanzanians through mentorship and coaching sessions and prepare them to become future CEOs. Upon completion of the 12-month programme, participants will have acquired the right blend of skills, thus enhancing their leadership capabilities.

Following a year of preparation and in collaboration with Strathmore University Business School, the CEO Roundtable is pleased to announce that the CEO Apprenticeship Programme commences today. The cohort, comprising of 20 talented individuals will participate in a two-day Knowledge Forum, which will focus on enhancing self-awareness, effective decision-making skills, and developing new ways of approaching leadership challenges to become future CEOs.

Putting theory into practice, the cohort will also work at identifying a project, which targets a specific socio-economic issue in Tanzania. Throughout the 12-month programme, candidates will harness the skills they develop and work towards delivering a solution that is sustainable and positively impacts Tanzania's socio-economic development.

The CEO Roundtable takes this opportunity to thank our key programme sponsors who have identified talent within their organisations and are supporting them to participate within this important leadership programme. Our sponsors are: Songas, Plasco, Standard Chartered Bank, TCC Plc, Sumaria Group, Barclays Bank, Serengeti Breweries, CRDB, Access Bank, Pass Trust, Africa Practice, Exim Bank, FSĐT and Imaan Microfinance.

During the course of the coming month, the programme will also enroll talented individuals from within the Public Sector to participate within the programme. The CEO Roundtable looks forward to officially launching this important nation-building initiative in September 2019.
