

CEO Roundtable of Tanzania

Ethical Leadership for Growth and Prosperity

PRESS RELEASE

Dar es Salaam 18th February 2020: The CEO Roundtable of Tanzania (CEOrt) will host a CEO Apprenticeship Program Mentorship Session at the Hyatt Regency Kilimanjaro Hotel in Dar es Salaam today.

The CEO Apprenticeship Programme (CAP) is an initiative designed to train talented Tanzanians through mentorship and coaching sessions and prepare them to become future CEOs. Upon completion of the 12-month programme, participants will have acquired the right blend of skills, thus enhancing their leadership capabilities.

Throughout the course of the programme, CAP participants have the opportunity to spend an evening each month with a visionary leader as part of the group-based mentorship sessions. The objective is for the CEO to share his or her leadership journey, experience and lessons learned. During the mentorship sessions, CEOs will also cover specific leadership themes to support the candidates' development.

During the CAP Mentorship Session this evening, the CEO Roundtable is honored to welcome special guest speaker, H.E. Rtd. President Benjamin William Mkapa. President Mkapa will engage the candidates in a Q&A session and share leadership insights on: **Visionary Leadership; Creating a Legacy.**

His Excellency Benjamin Mkapa has spoken strongly and passionately about the need for African leaders to recognize human capital as one of Africa's greatest treasures and therefore to pursue development accordingly. Furthermore, in his recently launched book, "My Life, My Purpose: A Tanzanian President Remembers", H.E. Rtd. President Mkapa encourages Tanzanians from different leadership platforms to strive for excellence in their purpose and calling.

As a patron of the African leadership Forum (ALF), which is recognized as Africa's dedicated space for open and frank discussion about the challenges facing Africa, H.E. Rtd. President Mkapa continues to contribute to both current and aspiring leaders in the pan African community. CEO Apprenticeship Programme participants look forward to this engagement with His Excellency Benjamin Mkapa as they continue to develop their leadership skills towards becoming future CEOs and in order to contribute meaningfully to Tanzania's sustainable social-economic growth.
