About the CEO Roundtable of Tanzania

Founded in the year 2000, the CEO Roundtable of Tanzania (CEOrt) is a policy dialogue forum bringing together 150 CEOs of leading companies in Tanzania. The CEOrt fosters close cooperation between the public and private sectors in Tanzania with the view of accelerating expansion and growth of the Tanzanian economy in a sustainable manner.

Recognizing the existing leadership gap and the need for additional investment in Tanzania’s human capital, the CEOrt launched the CEO Apprenticeship Program (CAP) in 2019, in collaboration with Strathmore University of Business School. CAP is a leadership initiative designed to train talented Tanzanians through mentorship and coaching sessions, preparing them to become future CEOs.
